Golfers sign-up for Concierge Sports' Corporate Challenge

© Mar 07, 2015 [Ifeanyi Ibeh](#) [Sports](#) 0

About 100 golfers have confirmed their readiness to take part in the maiden edition of the Concierge Sports Corporate Golf Challenge taking place at the Lakowe Lakes Golf and Country Estate on Saturday. "We have quite a number of interests among the local golf fraternity," said Kayode Oguntayo, an executive of Concierge Sports Limited.

He added that his company's aim was to use the event to strengthen the ties the game of golf had with corporate Nigeria. "With the support of Veuve Clicquot Champagne, as a headline sponsor and hospitality host, the event is essentially created as a platform for the corporate world to latch on to and tap into the huge potential that the game of golf and its immediate community presents," he said.

The one-day event will see teams, each comprising four golfers, representing various corporate organisations in the hope of emerging victorious at the end of the day. "We have 20 teams duly confirmed for the event so far but we are expecting more teams to confirm their entry before it closes," noted Oguntayo.

He added: "Lakowe Lakes Golf Club is the newest addition to the Lagos golf scene and based on its championship course design, it's one of the most challenging golf facilities in the country." The Corporate Challenge is scheduled to tee-off at 8:30am and some of the companies that have entered teams as at Friday include First Bank, Old Mutual, Total E&P Deepwater, Stanbic IBTC, Mandilas, Tata, and Huawei.
